«Metaverse Insurance Web 3.0» special

Insurance companies in the metaverse – what can the industry expect?
Find out in the «Handelszeitung» special on 25 May 2023

Characteristics

Web 3.0 promises a new digital world. «Land sales» within the metaverses have long since begun. How important is it for insurance companies to be represented in the digital worlds, and what entirely new revenue sources, touchpoints and liability issues will the industry face in the digital parallel worlds?

Secure your position in this environment now and book your ad in the special and the extended online version at the same time. All «Handelszeitung» specials are also published digitally at handelszeitung.ch/specials! We will be happy to advise you.
