Themes and Specials in the magazine BILANZ

BILANZ is the leading Swiss business magazine. It covers all facets of economic events: research from the corporate scene, analyses from the economic sector, service on financial investments and advice on sound spending.

A special focus of BILANZ are ratings and rankings in very different areas: Hotels, law firms, art, private banks, telecoms, annual reports, digital shapers, the 100 most important people in digitalisation in Switzerland and, of course, the 300 richest people in Switzerland.

The following list and overview should help you with your media planning. We are at your disposal for price enquiries and will be happy to work out a comprehensive concept and offer for you.
