Topic specials 2026

Take a look at the wide range of topics and special issues that are included and distributed throughout the year in the «Handelszeitung».

In addition to the numerous traditional specials that we have been publishing for many years, the editorial team reorganises the range of topics every year and offers the high-calibre readership of decision-makers a practical compass and insight into numerous topics and sectors.

All specials of the «Handelszeitung» will also appear online! Supplement the reach of your print advertisement with numerous possibilities in the corresponding environment online as well. Ask for our separate documents - we will be happy to advise you!
