Blick.ch

Innovation in the Swiss advertising market: blick.ch launches the exclusive welcome ad for mobile and desktop

The large-format and high-performance welcome ad offers advertisers an exclusive premium placement, which can only be booked once a week or 52 times a year on blick.ch for mobile and desktop. This innovative ad reaches users at every access point on blick.ch and guarantees high visibility on all screen sizes.

The Blick Group is constantly expanding its digital presence and also offers blick.ch, Switzerland's digital news channel. More than a million users visit blick.ch every day (42.3% more than in 2019, NET Metrix profile 2020-2) to read the latest business, politics, sports, culture, society, insight and lifestyle stories.
